A classification and analysis of erroneous actions in computer supported co-operative work ...
D Trepess, T Stockman - Interacting with computers, 1999 - Elsevier
In the past, C systems have been studied with little consideration of the social
context in which they will be used (see Ref. [1]). A framework of social context
has been proposed [1] that takes the social aspects of a collaborating ...

Teaching CSCW in developing countries through collaboration- ▶ sigchi.org [PDF]
A Thatcher, LA Katz, D Trepess - ACM SIGCHI Bulletin, 2000 - portal.acm.org
Teaching technical subjects in developing countries has proven to be a
challenge. This is due to deficiencies in tech- nology and knowledge resources,
such as a lack of expertise in a field and a lack of up to date literature. ...
